Louis,

We can use Mark's prior signatures. Can you send them to me know and we'll hold them in escrow pending your release?

Thanks Greg. Will get back shortly. Also, I asked John this morning (I improvidently left you off the message) about whether Mark will need to sign a final execution version (I have his signatures ion the version immediately prior to the few changes made Saturday).

Louis,

Attached is a revised draft of the 9019 motion with a redline against what you sent this morning. We accepted all your changes—with a few stylistic modifications—and include a few additional changes.

With John traveling, please keep me copied on future emails.

Best,
Greg
